**NOTICE OF ERRATA TO RECOMMENDED DECISION  
ON FINANCING ORDER AND ORDER**

The Hearing Examiners hereby gives **NOTICE** pursuant to Rule 1.2.2.37(G)(1) NMAC that the Recommended Decision on PNM’s Request for Issuance of a Financing Order (“Recommended Decision”) issued on February 21, 2020 should reflect certain corrections of typographical and non-substantial omissions. Specifically, in Section III.J of the Recommended Decision, at 108, the Hearing Examiners resolved that to more closely conform the text of Public Service Company of New Mexico’s (PNM) January 8, 2020 “revised and updated proposed stand-alone [financing] order,”<sup>1</sup> to the findings and recommendations made in the Recommended Decision, their revisions to PNM’s proposed financing order should be reflected in the Financing Order set forth under sections IV (Findings of Fact and Conclusions of Law) and V (Ordering Paragraphs) in legislative (redline/strikeout) format. Accordingly, for the sake of consistency and accuracy in the record, the following changes to PNM’s proposed financing order should also be reflected in legislative format.

On page 149, Ordering paragraph 1 should appear as the following addition to PNM’s proposed financing order in legislative format:

1. The findings, conclusions and the ordering paragraphs herein are adopted, approved, and ordered by the Commission.<sup>2</sup>

---

<sup>1</sup> PNM’s Updated Proposed Financing Order in Redline Format at 1 (filed Jan. 8, 2020).

<sup>2</sup> The paragraph numbering is off by one juxtaposed against PNM’s proposed financing order due to the inclusion of this paragraph at the beginning of the Financing Order in Section V of the Recommended Decision.

Further, on page 161, the three final ordering paragraphs (¶¶ 50, 51, and 52) should appear as the following additions to the proposed financing order in legislative format:

50. In accordance with 1.2.2.35(D) NMAC, the Commission has taken administrative notice of all Commission orders, rules, decisions and other relevant materials in all Commission proceedings cited in this Order.

51. Any matter not specifically ruled on during the course of this proceeding or in this Order is disposed of consistent with this Order and the Commission's Rules.

52. This docket is closed except for receipt of PNM's amended Application.

**IT IS THEREFORE ORDERED:**

- A. The Recommended Decision is corrected as set forth above.
- B. Except as expressly provided in this Notice and Order, all findings, conclusions, and ordering clauses contained in the Recommended Decision and all other orders of the Hearing Examiner and Commission that have not been amended or otherwise superseded remain in full force and effect as written.

**ISSUED** at Santa Fe, New Mexico this **2<sup>nd</sup>** day of **March 2020**.
